## LIFE IN KUOPIO

With its nearly 123,000 residents, Kuopio is just the right size to offer a perfect setting for quality living. The City is a safe, functional, and pleasant place, where the purity of nature is ubiquitous in the everyday life of an ordinary person. Quality of life is built on the balance between everyday life, work, studies, and leisure time.

In Kuopio, each resident can build a living environment to suit them, consisting of the right balance between nature and the city, life and work, growth and safety, as well as international and local aspects. Nature is close, there is time to relax after work, everyday life is meaningful.

## TUITION FEES

Savonia UAS is obliged to charge tuition fees for those students who are not citizens of countries of the European Union (EU) or the European Economic Area (EEA). The legislation concerns degree programmes conducted in English.

The tuition fee is charged for each academic year, and it must be paid by the set date.

For those Bachelor students, who start their studies after 1 January 2025, the tuition fee is 9700 euros per academic year.
